PASS 400 Weekend

September 9th-12th 2010

Thank you for choosing to camp here at Beech Ridge Motor Speedway for the PASS 400 weekend. The campers who have joined us for the past events have been very instrumental in making the policies that will be in place again this year. Please read the following guidelines to help make your weekend an enjoyable experience and to maintain the integrity of the Beech Ridge Motor Speedway grounds and close residential neighbors. **Only Quiet camping is allowed in respect of neighbors and to preserve camping privileges.**

- 1. ALL campers and vehicles on the property must be state registered and licensed. The cost will be \$40. Campers are not permitted on the property until 6:45am Thursday September 9th. NO EXCEPTIONS. Campers must be off grounds by 12noon Monday Sept 13th. Only self contained units are permitted. Tents are only allowed when accompanied by a companion self contained camper unit.**
- 2. You will receive upon registration two stickers, one for the camper and an additional one for a tow vehicle. Both stickers must be displayed at all times on the vehicles in the designated areas. These areas will be designated to you upon registration. Camping spaces will be a maximum of 18 feet wide and tow vehicle, awning and slide outs must fit into this space. No non-stickered vehicles may be left at camp sites or you may be towed. EMERGENCY ACCESS ROADS MUST BE KEPT OPEN AT ALL TIMES.**

- 4. All campers will be parked with the hitch facing out or motor homes with the front facing out in case of emergency as per request of the local Fire Dept.**
- 5. Beech Ridge Motor Speedway does not have hook-ups or dumping facilities. Please do not allow any dumping of gray water or any leaking of any type of fluids on the grounds.**

NO FIRE SHOULD BE LEFT UNATTENDED FOR ANY REASON AT ANY TIME. All fires should be put out with water before leaving the area. Only clean wood should be used for fires. Burning of unauthorized materials could result in losing your camping privileges. *The Maine Legislature has Banned all out of state firewood. It is now ILLEGAL to transport out of state trees, logs and firewood into Maine. Destructive insects are threatening northeast forests. DO NOT BRING FIREWOOD FROM HOME. PURCHASE YOUR FIREWOOD FROM LOCAL SUPPLIERS.******
