

PASS COMMONWEALTH CLASSIC  
RICHMOND RACEWAY  
MARCH 29-30, 2019

## EVENT INFO

### RACE TEAM INFO

#### ENTERING THE TRACK

All race teams will enter the facility through Gate 7 at the back of the facility.

Thursday, March 28 will be open for parking and safety inspection of cars only

Friday, March 29 will be open for hauler parking, safety inspection and practice

#### PIT STALLS

There will be pit stalls in the covered garage area available to Super Late Model and Modified teams on a first come first serve basis. The fee to reserve a pit stall in the covered garage area is \$100 for a single or \$200 for the full pit stall, in addition to your entry fee. Your pit stall reservation form must be accompanied by the \$100 or \$200 fee, your entry form for the race and the entry fee. **THERE ARE NO REFUNDS ON PIT STALL FEE OR ENTRY FEE.**

The new garage area pit stalls have plenty of room for 2 cars per stall. If teams request to be put together in a pit stall, we will do all we can to accommodate the request.

Pit stalls will be offered on a first come first served basis. All divisions will be separated to make tech more efficient for all. For example a Super Late Model and a Modified will not be pitting in the same area.

Pit stalls **MUST** be left in the condition they are at arrival, all trash, car parts, tires etc, cleaned up. **No trash left behind, NO EXCEPTIONS!**

#### PARKING IN PIT

At this time it looks like there will be at least 3 divisions in the infield and 1 or 2 in the back in the paved area. There will be **ABSOLUTELY** no personal vehicles allowed in the pits, only haulers.

#### SAFETY

ALL cars will required to pass a safety inspection before being allowed to practice. Safety inspections will be done on Thursday afternoon or Friday.

## **TIRE RULE**

There will be **NO** Tire Softener or any other chemical additives allowed on the tires. ALL of these chemical additives are **STRICTLY PROHIBITED**. This is to protect the racing surface. Any team that violates this rule will be fined \$1000 and asked to leave. There will be no refund on any entry fees, pit stall fees or pit passes for the event.

## **PIT STOPS**

Any scheduled pit stops will be competition cautions, with no live pit stops, for the convenience of the competitors.

A reminder that all trash, car parts, tires, etc must be disposed of properly or taken with you. There is to be no trash left at the facility. We look forward to coming back to Richmond Raceway and we need to respect their facility. They have put a lot of money into refurbishing their facility and we respect that.
